

WELCOME TO OUR OFFICE

Serving Colchester and the surrounding community in Vermont with a commitment to excellence and gentle dental care, Lee J. Weltman, DDS, a caring dentist, utilizes state of the art equipment and painless computerized anesthesia to ensure precision dental work. A member of many dental associations, Lee J. Weltman, DDS offers services in preventative care, pediatric dentistry, crowns and bridges, cosmetic dentistry including white fillings, Invisalign, bite analysis, implants and much more. There is never a bad time to see a good dentist!

There's always a friendly smile to help you when you come in!

MEET OUR STAFF

We're a family dentist. To us, getting to know our patients is a big deal. Let us introduce ourselves. Click [here](#) to join our family
